Skip Tracing Basics and Beyond Susan Nash, 2012-11-12 As Featured on Taking Care of Business on www.wcwp.org 88.1 FM and www.TCBRadio.com out of Brookville, Long Island, NY with Richard A Solomon If you are not sure of what to do, or where to turn, or would simply like to learn new or more advanced methods of skip tracing, you will acquire the knowledge of what actions to take and a responsible direction for your efforts with innovative lessons and priceless tips. Stuart R. Blatt Attorney at Law and DBA Debt Buyers Association Past President I know the private Investigator business and this is an amazingly valuable resource for seasoned investigators, any person considering a career as a private investigator and those who seek advice on how to do it themselves. Jimmie Mesis Publisher PI Magazine Every chapter of this book mentions skip tracing secrets that have been put to a practical test by thousands of skip tracers nationwide. Discover the tricks of the trade, from an expert who knows things and is not afraid to share them. Get a sneak peak at skip tracings finer points and discover the skip tracers magic tricks. Pick up secrets for your bag of tricks. Learn to skip trace like a pro by using techniques like: suggestion and autosuggestion; tradecraft and trickcraft; misdirection & logical thinking; roping and deductive reasoning; the invisible web and operation card shop. For every action theres an equal and opposite reaction and in a world of duality, wheres theres pleasure, theres pain. Creativity is not always organized, so youll learn to work smart and not hard. Your only limits are your acting abilities. Keep might and right on your side because innovation is driving success. If you are ready to put these secrets to use, you will recognize them. I wish I could tell you how you will know if you are ready, but that would deprive you of much of the benefit you will receive when you make the discovery on your own. Bank on it!

Oh! Is That Why I'm Still Single? LaDonna M. Smith,2015-02-14 If you are such a good catch then why are you single? Why are so many good women single? Why do men act the way that they act? Say what they say? Do what they do? Think the way that they think and avoid a long term relationship or marriage with a good woman? At age 33 Author LaDonna M. Smith asked the same questions not only about HERSELF TO MEN but she had conversations which INCLUDED MEN to find out the answers. Those answers made up this book. This is the perfect must have book for women who think they are an ideal spouse, to gain a new perspective which may cause them to do an introspection; and they may ultimately get closer to possibly getting a relationship and/or marriage. Ladies, this is the most female educational, info-tainment book. Men, this is the most non male bashing book ever made. You won't be disappointed.

Investigating Internet Crimes Todd G. Shipley, Art Bowker, 2013-11-12 Written by experts on the frontlines, Investigating Internet Crimes provides seasoned and new investigators with the background and tools they need to investigate crime occurring in the online world. This invaluable guide provides step-by-step instructions for investigating Internet crimes, including locating, interpreting, understanding, collecting, and documenting online electronic evidence to benefit investigations. Cybercrime is the fastest growing area of crime as more criminals seek to exploit the speed, convenience and anonymity that the Internet provides to commit a diverse range of criminal activities. Today's online crime includes attacks

against computer data and systems, identity theft, distribution of child pornography, penetration of online financial services, using social networks to commit crimes, and the deployment of viruses, botnets, and email scams such as phishing.

Symantec's 2012 Norton Cybercrime Report stated that the world spent an estimated \$110 billion to combat cybercrime, an average of nearly \$200 per victim. Law enforcement agencies and corporate security officers around the world with the responsibility for enforcing, investigating and prosecuting cybercrime are overwhelmed, not only by the sheer number of crimes being committed but by a lack of adequate training material. This book provides that fundamental knowledge, including how to properly collect and document online evidence, trace IP addresses, and work undercover. Provides step-by-step instructions on how to investigate crimes online Covers how new software tools can assist in online investigations Discusses how to track down, interpret, and understand online electronic evidence to benefit investigations Details guidelines for collecting and documenting online evidence that can be presented in court

Brand Journalism Andy Bull, 2013-06-26 Responding to the newly-emerging trend of organisations hiring journalists to create content on their behalf, Brand Journalism is the first comprehensive, practical guide to this hybrid form of traditional journalism, marketing and public relations. This textbook takes a direct and practical approach to the subject, showing journalists and journalism students how they can apply their skills to working for a brand, and showing those who work for non-media organisations how their organisation can acquire the skills necessary to become a multimedia publisher. Areas covered include:

- Establishing the audience your brand wants to engage with
- Identifying your organisation's business goals
- Developing a brand journalism strategy to help deliver those business goals
- Measuring the results of your brand journalism strategy

The book also features a wealth of case studies on the subject and offers an invaluable companion website - www.brand-journalism.co.uk.
